Note: You must be on the Northwood network in order to register your device

1. Connect your device to Northwood University’s wired or wireless network. Please note that if you are using a wireless connections, you must select the SSID “northwood”.

2. Start a web browser and try to visit a webpage. You should be redirected to the Acceptable Use page. Review the policy and click Agree.

3. Choose the link “Users who have a Northwood University account”.

4. Enter your Northwood University Username and Password, then click Continue.

5. After a successful login you will have a 45 second countdown while your device joins the Northwood network. When the countdown is completed close the web browser.

6. Now reopen a web browser and try to visit a web page, the page should now load. If you are still redirected to the Acceptable Use page, try disconnecting from the network and reconnecting or rebooting the device.

7. For further assistance, please contact the Help Desk at 877.209HELP or visit your campus IT Office:
   - Michigan Campus – Information Technology Help Desk, located in the Griswold Building, Room 1.
   - Florida Campus – Campus Information Technology Office located in the back of the Cook Library in the Turner Education Center.
