The International Baccalaureate (IB) Diploma Program is offered in participating high schools, and the examinations are administered at the high schools. Northwood University accepts work from the Higher Level and the Standard Level IB courses for transfer credit. Official scores must be sent to the NU campus to which you are applying. The courses and the examination scores that are used as the basis for transfer credit are listed above.

Northwood University
2008-2009

Revised 8/22/2007, 8/2008
